

John Monroe Terry of Union Parish, Louisiana

John Monroe Terry was mentioned in a query by Robert H. Terry in a September 1983 issue of the Terry Family Historian. I just received an email October 8th, 2007 from Roslyn Terry Johnson who is a 2nd Great Granddaughter of John Monroe Terry of Union Parish, Louisiana.

In the 1880 Hunt County, Texas census with his wife Emily, he indicates he was born in Georgia and his parents were from North Carolina.
